Healthcare Consulting

DHA supporting Walter Reed National Military Medical Center (WRNMMC):

- Accounts Receivable support services for healthcare claims
- Supporting trending analysis and compliance

Program Management

VA supporting the James H. Lovell Federal Health Care Center (FHCC):

- Implementing a tailored program methodology for the VA
- Methodology rooting in program management best practices and frameworks:
 - ITIL v3
 - ISO 20000-1:2011
 - ISO 9001:2015
 - PMBOK principles
- Improving communication among VA stakeholders, consistent levels of oversight, reducing overall program and project risk.

Business Transformation

VA Office of Information Technology (OI&T) Enterprise Testing Service (ETS) supporting the EHRM:

- Supporting Testing Director with creation and establishment of a governance structure
- Managing all non-traditional VA projects related to interoperability testing
- Managing the IV&V testing for 3 major programs
 - EHRM
 - Defense Medical Logistics Support System (DMLSS)
 - Joint Testing Environments (JTE)

Cybersecurity

Providing Cybersecurity for Pegasystems including: cloud software for customer relationship management, digital process automation, and business process management

- Program & Project Management
- HITRUST Certification
- FEDRAMP ATO & IL4 Accreditation
- IRAP Certification

Our **VISION** is to continue to serve, create value, and make a difference as a premier Service Disabled Veteran Owned Small Business provider of high impact support to our clients' missions.
